Premium Indian Rice Exporter from India

Nature Crown Exports is a trusted Indian exporter of premium-quality Rice sourced directly from reliable farmers and modern rice mills across India. We supply Basmati Rice, Non-Basmati Rice, Steam Rice, Raw Rice, Parboiled Rice, Brown Rice, and Broken Rice with consistent quality, international food safety standards and customized packaging solutions.

From procurement and cleaning to grading, Sortex processing, quality inspection, export documentation, and worldwide delivery, we ensure every shipment meets the highest global expectations.

"Pure Quality • Trusted Supply • Global Delivery"

About Our Rice

India is the world's largest rice exporter, known for producing aromatic Basmati and premium Non-Basmati rice varieties. At Nature Crown Exports, we carefully select, process, and pack rice using advanced milling technology, ensuring excellent grain length, natural aroma, low broken percentage and superior cooking performance.

Whether you are an importer, wholesaler, distributor, supermarket chain, food processor, hotel supplier, or private label buyer, we provide customized export solutions tailored to your business needs.
