Dried Chilli Powder

Premium Indian Dried Chilli Powder for Global Food & Spice Industries

Nature Crown Exports offers high-quality Indian Dried Chilli Powder made from carefully selected red chillies sourced from trusted growing regions of India. Our chilli powder is processed with a strong focus on natural colour, pungency, purity, aroma and food safety, making it suitable for importers, wholesalers, food manufacturers, spice brands and private-label buyers worldwide.

Indian chilli powder is widely appreciated for its rich red colour, strong flavour and versatile heat profile. At Nature Crown Exports, we supply buyer-specific grades such as high-heat chilli powder, high-colour chilli powder, mild chilli powder and customized blends as per required ASTA colour, SHU/pungency, mesh size and packaging needs.

Product Highlights

- 100% Indian-origin dried chilli powder
- Available in Teja, Guntur Sannam, Byadgi, Kashmiri and blended grades
- Natural red colour and strong chilli aroma
- Customizable heat level: mild, medium, hot and extra hot
- Available in different mesh sizes such as 40, 60 and 80 mesh
- Suitable for bulk export, food processing and private-label packing
- Processed with focus on cleanliness, consistency and export quality
- Buyer-specific lab testing and documentation support available

Major Applications

Our Dried Chilli Powder is widely used in:

- Spice blends and curry powders
- Sauces, chutneys and marinades
- Snacks and seasoning mixes
- Ready-to-eat and ready-to-cook foods
- Pickles and processed foods
- Restaurant, catering and foodservice industry
- Retail spice packs and private-label brands

Available Grades

Nature Crown Exports can supply different grades of chilli powder based on buyer requirements:

High Heat Grade: Usually made from Teja or similar pungent varieties, suitable for spicy sauces, snacks and strong masala blends.

High Colour Grade: Usually made from Byadgi, Kashmiri or colour-rich varieties, suitable for attractive red colour with mild to medium pungency.

Standard Export Grade: Balanced colour, heat and flavour for general food processing, wholesale and retail spice markets.

Customized Blend Grade: Made as per buyer's required ASTA colour, SHU level, flavour profile, mesh size and price target.

Typical Specifications

Parameter	Typical Export Specification

Quality & Food Safety

At Nature Crown Exports, quality is managed from sourcing to final packing. We focus on clean raw material selection, sorting, grinding, sieving, metal detection and hygienic packing. For export buyers, we can support required quality checks such as moisture, ASTA colour, SHU/pungency, aflatoxin, pesticide residue, Sudan dye, ETO, heavy metals and microbiology testing as per destination market requirements.

Packaging Options

We offer flexible packaging solutions for international buyers:

- 10 kg / 20 kg / 25 kg food-grade bulk packing
- Inner liner bags for moisture protection
- Laminated pouches for retail packing
- Private label packaging as per buyer brand
- Carton or bag packing as per export requirement

Export Documentation Support

Nature Crown Exports can support buyers with standard export documentation such as:

- Commercial Invoice
- Packing List
- Certificate of Origin
- Certificate of Analysis
- Phytosanitary Certificate, if required
- FSSAI / Spices Board related export documentation, as applicable
- Buyer-specific lab test reports, as required

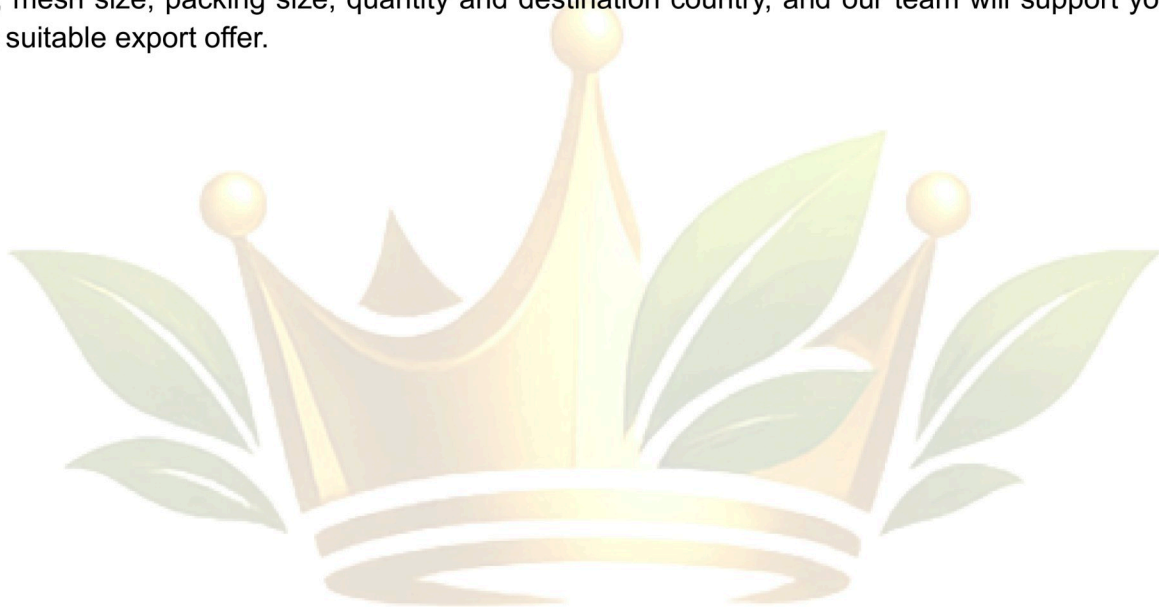

Why Choose Nature Crown Exports?

Nature Crown Exports is committed to supplying Indian spices with trust, transparency and consistent quality. We understand the expectations of global buyers and focus on product purity, proper documentation, buyer-specific specifications and reliable export service. Our goal is to deliver Indian Dried Chilli Powder from trusted sources to global markets with quality, care and competitive pricing.

Buyer Inquiry

We welcome importers, wholesalers, distributors, food manufacturers and private-label brands looking for reliable Indian Dried Chilli Powder suppliers. Share your required variety, colour value, heat level, mesh size, packing size, quantity and destination country, and our team will support you with the most suitable export offer.
