- Moisture-controlled and hygienically packed
- Bulk and private label packaging options
- Batch-wise COA and lab testing available on request
- Export documentation support
- Flexible packaging as per buyer requirement
- Suitable for USA, EU, GCC, Asia and African markets

Nature CrownTM

"Nature's Energy, Crown's Purity"

Available Grades

Machine Cleaned Cumin Seeds

Suitable for bulk buyers, wholesalers and spice processors looking for cost-effective cumin with good cleaning quality.

Sortex Cleaned Cumin Seeds 99.5%

Premium export quality cumin with better purity, colour and visual appearance. Suitable for international food buyers and retail packers.

Sortex Cleaned Cumin Seeds 99.8%

Super premium quality cumin for buyers who require high cleanliness, uniform colour and strong quality control.

Steam Sterilized Cumin Seeds

Available on request for buyers requiring low microbial load and higher food safety standards, especially for USA, EU and food-processing industries.

Cumin Powder / Roasted Cumin Powder

Manufactured from clean cumin seeds and packed as per buyer specifications for retail, foodservice and industrial use.

General Quality Specifications

Moisture: Max 8% to 10%

Purity: 99%, 99.5% or 99.8% as per buyer requirement

Foreign Matter: As per agreed specification

Aroma: Strong, warm and characteristic cumin aroma

Colour: Natural brownish cumin colour

Live Insects: Nil

Admixture: Controlled as per grade

Packing: Food-grade export packaging

Quality parameters can be customized as per destination market, buyer specification and lab testing requirements.

Processing Method

Our cumin seeds can be processed through a careful quality-controlled system:

- Raw Material Selection
- Pre-Cleaning
- Destoning
- Gravity Separation
- Magnetic Separation
- Sortex Colour Sorting
- Optional Steam Sterilization
- Metal Detection
- Final Quality Checking
- Food-Grade Packaging

This process helps improve purity, remove unwanted impurities and maintain the natural aroma of Indian cumin.

Applications

Nature Crown Cumin Seeds are widely used in:

- Spice blends and masala manufacturing
- Curry powders and seasoning mixes
- Sauces, soups and marinades
- Snacks and ready-to-eat foods
- Pickles and traditional recipes
- Bakery and savoury products
- Retail spice packs
- Foodservice and HORECA industry
- Cumin powder and roasted cumin powder production

Cumin is an essential spice in Indian, Middle Eastern, Mexican, Asian, African and European cuisines.
